

## PRODUCT SHEET : DEGRIME DEEP DIRT AND GRIME WIPES

### Description

A Made in Britain Industrial wipe, the product contains a non-woven fabric pre-saturated with a liquid. Our Degrime Industrial wipes are excellent at degreasing surfaces and machinery, keeping processes clean and efficient. Manufacturing & Engineering – Highly-absorbent wipes help to clean grease spills and leakages, ensuring a safe environment. A disinfectant solution containing a blend of high-grade biocides efficiently acts against the microbes including bacterial spores and bacteria developing resistance.

### Features

- ✓ 2 in 1 use – cleaning and disinfection.
- ✓ Quick, convenient, and effective.
- ✓ Single-use wipe - no cross contamination
- ✓ Industrial usage

### ✓ Technical details
