DIRECTIONS:
Open lid, remove entire cover, remove and discard seal. From centre of wipes roll up a corner of the wipe, twist it and thread through the hole in the container cover. Pull through about 1 inch (25mm). Reseal cover tightly. Pull out first wipe and tear off at a 45 degree angle.

WHEN NOT IN USE:
Keep the top of the exposed wipe inside the well in the cover, and the lid snapped closed.

WARNING:
Keep out of reach of children. In case of eye contact, rinse cautiously with water for several minutes. If eye irritation persists contact a physician. If swallowed accidentally obtain immediate medical attention. If you obtain skin irritation contact a physician. Flammable liquid and vapour, keep away from heat, hot surfaces, sparks, open flames and other ignition sources.
