

MINI SCRUBBER

Small Floor Scrubber Machine

The Victor Mini Scrubber is a compact yet powerful floor scrubbing machine designed for tight spaces and detailed cleaning tasks.

Operating at 350 RPM with a 15 cm working width, it efficiently tackles hard floors, tiles, and narrow areas around toilets, stairs and skirting boards.

Its versatile design features a long reach, extendable handle, which can be easily removed to convert to a handheld device, providing maximum flexibility. The ergonomic construction ensures comfortable use.

The removable battery offers up to 45 minutes of runtime, allowing longer cleaning sessions when paired with an additional battery.
