greenleaf

THE GREEN OPTION

All our products undergo a sustainability assessment to determine if the product meets the requirements for our 'Greenleaf' environmental range – as outlined below:

WHAT MAKES A GREENLEAF-APPROVED PRODUCT?

All products classed as 'Greenleaf' are marked with the  symbol – helping you make more sustainable choices.

All Greenleaf products must meet specific sustainability criteria:

- Produced in an environmentally-sustainable manner
- Utilises a mechanism that limits resource consumption
- Made of recycled materials
- Recyclable, compostable or biodegradable
- Has an extended lifespan
- Certified through external environmental accreditation

External certifications include:

- Cradle-to-Cradle
- Forest Stewardship Council (FSC)
- Programme for Endorsement of Forest Certification (PEFC)
- EU/Nordic/Austrian Ecolabel
