

A SMARTER HAND HYGIENE SYSTEM

ANDARTA® SYSTEM 300 HANDWASH & SANITISER DISPENSING SYSTEM

Designed to enhance washroom hygiene and minimise waste

Discover System 300 Andarta® SynergySmart

- Robust construction
- Whole-cover push mechanism
- Viewing window for easy maintenance
- Lockable for maximum security
- Colour-coded for soap and sanitiser
- Foam system helps minimise consumption
- **Lifetime guarantee on all dispensers**

INNOVATIVE SEALED CARTRIDGE SYSTEM

Safe – Sealed refills prevent cross-contamination

Smart – Cartridge refills eliminate hassle of refilling dispensers from bulk-fill bottles, reducing maintenance time

Sustainable – Cartridges shrink down to compact ball at end of use, reducing plastic waste
