

OUR PLANET PLEDGE

WORLD ENVIRONMENT DAY 2023

Our **PLANET** pledge is at the heart of our company strategy, ensuring we look after our planet to create a greener, more sustainable future.

We're focused on 3 key goals:

1. A NET ZERO FUTURE

Reduce carbon impact of our vehicles, buildings and supply chain, aiming to achieve Net Zero by 2040.

2. CIRCULAR SUPPLY CHAIN

Reduce waste across our value chain, moving from a "take-make-dispose" model to a circular economy.

3. GROWING GREENLEAF

Expand our Greenleaf portfolio to include a certified sustainable alternative to 100% products by 2030.
