1

AUTO-CUT SHEET MECHANISM

- Dispenses one sheet at a time, preventing 'clumping' and reducing paper use
- User only touches paper they use, preventing contamination.

2

RELIABLE MECHANISM

- Can be removed for easy cleaning inside the dispenser
- Extremely easy and fast to load, saving janitor time

3

LOCKABLE DISPENSER

Prevents paper pilferage

**UP TO 200M
ROLL CAPACITY**

Reduces top-up
time by 60%

**ROBUST ABS
PLASTIC DISPENSER**

Vandal resistant
dispenser reduces
likelihood of breakages

GUARANTEED FOR A LIFETIME

Our SynergySmart range comes with a unique lifetime guarantee on all dispensers.
