# OPERATING FOR HUMANITY

PLANET

PEOPLE

COMMUNITY

## ARROW'S SUSTAINABILITY STRATEGY

Having a positive impact is vitally important to Arrow as a company, and at the heart of our mission to **"provide hygiene for humanity"**.

This forms the basis of our forward-thinking **"For Humanity" sustainability strategy**, driving continual positive action to support our key **PLANET, PEOPLE** and **COMMUNITY** pillars.

### PLANET

Minimise negative environmental impact and become a **Net Zero business by 2040**

### PEOPLE

Deliver an **outstanding employee experience** and **flexible, inclusive working environment**

### COMMUNITY

Develop an **ethical, sustainable supply chain** and **positively impact local communities**

## OUR PROGRESS & IMPACT

We're proud to have achieved significant milestones on our "For Humanity" roadmap, including the following key goals, showcased in our annual "For Humanity" report.

**Achieved EcoVadis Gold**

**INVESTORS IN PEOPLE**  
We invest in people Platinum

**Achieved Investors in People Platinum accreditation**

**Signed West Midlands Net Zero Pledge**

**£383,671 donated to charity partners**

# ABOUT OUR GREENLEAF PROGRAMME

OVER 1,200 SUSTAINABLE PRODUCTS

In 2022, we launched our Greenleaf programme, supporting our customers in implementing more sustainable products through detailed product assessment.

All products classed as 'Greenleaf' are marked with the  symbol - allowing you to easily identify sustainable products and drive more environmentally-friendly product selection.

## OUR SELECTION METHODOLOGY

Our Greenleaf selection process ensures all products are assessed against an independent sustainability criteria.

## GREENLEAF REPORTING

We provide dedicated 'Greenleaf' reporting, allowing detailed analysis of product sustainability.

Want to find out more about our Greenleaf Programme? Scan here!

[arrowcounty.com/greenleaf](https://arrowcounty.com/greenleaf)

## GREENLEAF CRITERIA

All Greenleaf products must meet at least 1 of the following criteria:

Products helping **REDUCE RESOURCE CONSUMPTION**

Products made from **RECYCLED MATERIALS**

Products that are **COMPOSTABLE OR RECYCLABLE**

Products using **RECYCLED PACKAGING**

Products that are **PRODUCED SUSTAINABLY**

Products with **ENVIRONMENTAL CERTIFICATIONS**

# DISCOVER ANDARTA®

OUR **WORKSMARTER** PROMISE

We believe all Andarta® products – from our **SimplySmart** essentials, **SuperSmart** problem solvers to **SynergySmart** systems – shouldn't just work, but help you **WorkSmarter**.

The essentials range – everyday products delivering exceptional value for money

Specific products designed and manufactured to solve your cleaning challenges

Intelligently-designed dispensing systems helping maximise cost-in-use

# DISCOVER OUR WORKSMARTER PROGRAMME

## DELIVERING INNOVATION IN ACTION

Through our 4-stage **WorkSmarter Programme**, we work in partnership with our customers to solve their biggest challenges – developing tailored **WorkSmarter** strategies that deliver high-impact results.

Contact our **WorkSmarter Team** today to discuss your cleaning challenges.

### PRE-ASSESSMENT

Initial meeting to agree objectives & outcomes

### AREA ASSESSMENT

Site visit to review tools, methods and processes

### ANALYSE

Analyse findings and present results

### IMPLEMENT

Implement outcomes and monitor impact

## WORKSMARTER CASE STUDY : FACILITIES MANAGEMENT

### INNOVATION IN ACTION

A large shopping centre was struggling with persistent ceiling leaks, leaving areas looking messy and increasing slip and trip risks.

We followed our 4-stage **WorkSmarter process** to review affected areas, current tools and develop a bespoke solution.

Our assessment resulted in Arrow developing our SlipStop® leak collection unit- an instant success, with over 200 units installed in group shopping centres across the country.

# YOUR HAND TOWEL GUIDE

## C-FOLD

Towels are dispensed folded and need to be opened before use. Smaller surface drying area can increase towel usage and waste.

SKU	BRAND	COLOUR	PLY	PACK SIZE
02-004	Andarta	Green	1 Ply	Box 2880
02-005	Andarta	Blue	1 Ply	Box 2880
02-011	Andarta	White	2 Ply	Box 2430

## V-FOLD

Towels are self-presenting and fully opened once dispensed. Towels are always ready, clean and untouched.

SKU	BRAND	COLOUR	PLY	PACK SIZE
02-038	Andarta	Green	1 Ply	Box 3600
02-039	Andarta	Blue	1 Ply	Box 3600
02-019	Andarta	Blue	1 Ply	Box 5000
02-020	Andarta	Green	1 Ply	Box 5000
02-077	Andarta	White	2 Ply	Box 4000
02-099	Andarta	White	2 Ply	Box 4000
02-082	Andarta	White	2 Ply	Box 4500
02-025	Katrin	White	1 Ply	Box 5000

## Z-FOLD

Interleaved sheets mean towels are self-presenting. Three panels give a larger drying area than C or V fold towels.

SKU	BRAND	COLOUR	PLY	PACK SIZE
02-008	Andarta	Blue	1 Ply	Box 3000
02-043	Andarta	White	2 Ply	Box 3000
02-001	Katrin	White	2 Ply	Box 3024
02-015	Katrin	White	2 Ply	Box 4000

## M & W FOLD

Interleaved sheets mean towels are self-presenting. Four panels give towels 25% more surface area, reducing usage.

SKU	BRAND	COLOUR	PLY	PACK SIZE
02-057	Katrin	White	3 Ply	Box 2250
02-023	Katrin	White	2 Ply	Box 2310
02-003	Stella	White	1 Ply	Box 2400

## OUR PRODUCTS

### PROFESSIONAL

**PROFESSIONAL** products offer high-quality, versatile brushware in ten colours, catering to various cleaning needs. These brushes are safe for food service industries.

- Ideal for workplace segregation
- Supports HACCP & 5S Protocols
- Durable tools
- Comes in ten colours
- FDA/EU food contact approved

### RESIN SET

**RESIN SET** products offer peace of mind when it comes to filament retention, using a cutting-edge solution that combines advanced technology and quality materials.

- Strong filament retention due to extra technology during manufacture
- Chemical wear resistance
- Proven track record of over 35 years
- FDA/EU food contact approved

### ANTIMICROBIAL RESIN

**ANTIMICROBIAL RESIN SET PRODUCT RANGE** features Polygiene Biomaster™ silver-based technology, offering robust protection against mold, yeast, and bacteria with Resin Set filament retention.

- Minimises microbial cross-contamination risks
- Resin Set as standard
- High durability
- Easy cleaning
- Effective colour-coded segregation
- FDA/EU food contact approved

### NEW! ECO RANGE

**OUR ECO RANGE** is ideal for environmentally conscious cleaning for hotels, restaurants, catering, supermarkets, food courts & senior living facilities not needing food grade products.

- Low-cost
- 50%+ recycled material
- Durable
- Comes in five colours
- Floor scrubs, soft & stiff sweeping brooms & hand brushes

**NARROW SOFT BRISTLE BROOM**

- 50mm trim for getting into tight areas
- Soft polyester bristles
- Lightweight design

<b>41-027</b>	Resin Set	390mm	Each

- Uses solar energy to power an integrated smart dosing system
- Charges using both artificial and natural light
- Helps reduce water, detergent and energy consumption by 50%
- Can be included as part of any modular trolley design
- Made using 100% recycled plastic

72-707 | Each

**Programmable electric control unit**  
Control up to 3 dispensing pumps

**Integrated storage compartment**  
Holds up to 3 x 5L disinfectant

**Optional spray lance**  
Improved disinfection

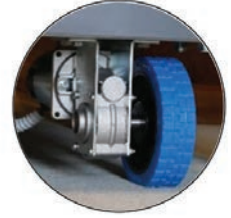

**Electronic key ignition**  
Button for immediate stop

**Starting button**

**Charging outlet**

**Longlife electric motor**

**SPEED SYSTEM**

- Motorised system can be applied to all OPERA trolleys
- Designed to easily move heavy trolleys over floors or ramps
- Speed adjustment with button for immediate stop
- Long-life electric motor with integrated motorized wheel

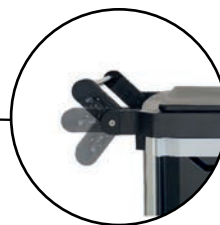

72-006 | Each

**EGOBOOST HANDLE**

- Height adjustment handle for OPERA trolleys
- Allows you to instantly adapt the height of the handle push point to the operator
- Handle is adjustable in 5 different positions selectable by operator

72-007 | Each

**5 different handle positions**  
Height adjustable between 90 - 115cm

**Foldable to save space**  
Minimises space taken up when trolley is not in use

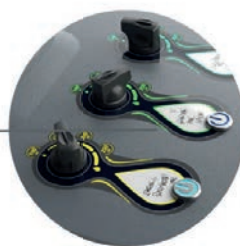

**Immediately adjustable**  
Immediately adjust handle height at the press of a button

**FACILITY MOP SYSTEM**

- Instant impregnation system integrated into the trolley
- Impregnate mops and cloths instantly and save time
- Reduces waste by reducing washing of unused cloths
- Allows single sanitisation of products to allow flexibility in cleaning tasks

72-005 | Each

**Automatic, no-touch dosing**  
Immediately dose mops at the touch of a button

**Flexible system**  
Manage up to 3 separate dosages

**No buckets required**  
Dosing mechanism & solution tanks housed inside trolley

## WHY CHOOSE VICTOR?

### Made in the UK

We are proud that our mighty commercial cleaning products are manufactured in the UK. Where possible, we use locally sourced parts and suppliers which keeps our lead times low, whilst supporting the local economy.

### Built to Last

We team robust raw materials with quality engineering. This ensures that our products will stand the test of time, even when put through their paces in a demanding commercial environment.

**75**

### Over 75 Years Experience

Victor have been manufacturing quality commercial cleaning equipment for over 75 years. When it comes to commercial cleaning equipment, Victor is a name you can trust.

### Simple to Use & Maintain

Over complicated machinery is difficult to maintain & service. Our simple but highly effective engineering makes our commercial cleaning machines easy to keep in perfect working order, with minimal downtime.

## VACUUM CLEANERS

**V9 HEPA Vacuum**  
39-211  
Suitable for hard floors and carpets. Incredibly durable, yet lightweight at just 6KG.

**UCS Upright Vacuum**  
39-540  
High performance upright vacuum cleaner, featuring individual brush and suction motors.

**Back Pack Vacuum**  
39-553  
Ideal for environments that require maximum manoeuvrability whilst cleaning such as coaches and theatres.

**Nimrod Stick**  
39-610  
The Victor Nimrod Stick Vac is a commercial cordless vacuum cleaner for hard floors and carpets.

## ROTARY FLOOR MACHINES

**Contractor**  
39-479-SS  
Suitable for a wide range of floorcare tasks including polishing, spray cleaning, bonnet mopping, scrubbing and stripping.

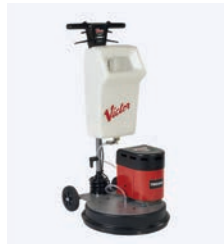

**Sprite**  
39-487-HS / 39-487-SS  
The built in exhauster makes the Sprite suitable for a wide range of floorcare tasks where active dust extraction is required.

**Sprite 300**  
39-478  
The slimline design and 300mm floor pad makes the Sprite 300 ideal for cleaning in tight spaces such as washrooms.

**Multispeed**  
39-481  
With 2 speed settings (200 / 400 rpm) the multispeed is ideal for most floorcare tasks, making it suitable for operatives who maintain a variety of floors.

**Trojan**  
39-549  
With a slower speed (180RPM) and extra weight, the Trojan is ideal for hard floor sanding or carpet scrubbing tasks.

**Lynx**  
39-482  
The Lynx operates at a super high-speed (1080rpm) making it ideal for high shine polishing, Burnishing and spray cleaning.

## BURNISHERS

## CORDLESS ROTARY FLOOR MACHINES

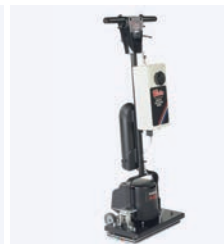

**Contractor Cordless**  
39-070  
Featuring up to an hour runtime, The Contractor Cordless offers all the power of our traditional mains rotary with the added benefit of no trailing cables.

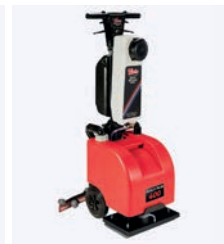

**Multispeed Cordless**  
39-631  
With RPM's ranging between 180 - 400 and up to 90 Min runtime, The Multispeed Cordless is the ultimate versatile scrubber / polisher.

**Lynx Cordless**  
39-029  
The Lynx Cordless operates at a super high-speed (800rpm) making it ideal for high shine polishing without trailing cables.

**Ocelot 400**  
39-550  
The Ocelot 400 is a versatile oscillating pad machine, ideal for cleaning safety flooring and other hard floor types.

**Ocelot Plus 400**  
39-094  
The Ocelot Plus features all the capabilities of the Ocelot 400, but with the addition of vacuumation for wet pick up.

## OSCILLATION

## COMPACT SCRUBBER DRYERS

**Hyperglide 350**  
39-484 / 39-520  
Available in battery or mains, the Hyperglide compact scrubber dryer is suitable for both hard floors and Carpets.

**SD12**  
39-610  
Cleans up to 1600m<sup>2</sup> on a single charge. Ideal for cleaning floors 250 - 1000 m<sup>2</sup>.

**SD20**  
39-506  
Cleans up to 2400m<sup>2</sup> on a single charge. Ideal for cleaning floors 250 - 1000 m<sup>2</sup>.

**SD40**  
39-551  
Cleans up to 6000m<sup>2</sup> on a single charge. Ideal for cleaning floors 1000 - 2000 m<sup>2</sup>.

**SD50**  
39-507  
Cleans up to 8400m<sup>2</sup> on a single charge. Ideal for cleaning floors 1000 - 2000 m<sup>2</sup>.

**SDR80**  
39-552  
Cleans up to 15,500m<sup>2</sup> on a single charge. Ideal for cleaning large areas such as warehouses or factory floors.

## SCRUBBER DRYERS

## STEAM CLEANERS

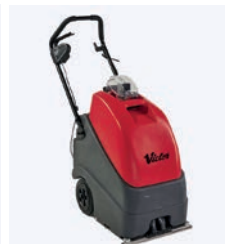

**SL8000**  
39-489  
Suitable wet and dry vacuuming tasks in addition to high temperature steam cleaning.

**Steam Extractor**  
39-081  
The Victor Steam Extractor deep cleans carpets and upholstery using the power of sanitising steam.

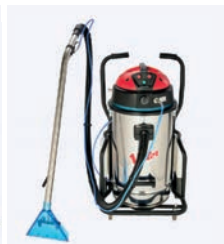

## CARPET CLEANERS

**SX15**  
39-100  
The SX15 is a walk-behind carpet cleaner ideal for cleaning large carpeted areas.

**CX7 Spray Extractor**  
39-485  
Suitable for the spot cleaning of carpets, upholstery and other fabrics.

**Hot Water Extractor**  
39-077  
The Victor Hot Water Extractor deep cleans carpets and upholstery using the power of hot water.

## WET & DRY VAC

**WD30 & WD60**  
39-486-30 / 39-486-60  
Suitable for heavy duty wet and dry pick up. Available with single motor + 22L Capacity or Twin motor + 55L Capacity.

# VICTOR V-9 TUB VACUUM

Delivering advanced **99.99% HEPA filtration** in a lightweight yet robust vacuum unit.

**CABLE CLIP**  
Cable clips neatly to the handle for easy storage

**QUICK WRAP CABLE**  
Spin the V-9 to quickly tidy the cable

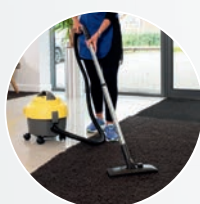

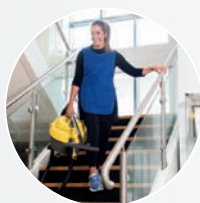

**UNIQUE RIGID FILTER**  
Fixed HEPA filter prevents suction loss as bags fills

**HIGH QUALITY MOTOR**  
Powerful Ametek motor delivers high power suction

**LOW-COST PAPER BAGS**  
No need for expensive HEPA bags

**IMPACT RESISTANT TUB**  
Made from tough ABS plastic

**5 CASTOR DESIGN**  
For better stability

# YOUR FLOOR PAD GUIDE

## YOUR AT-A-GLANCE GUIDE

Use our guide to understand what each floor pad colour means, and where and how to use it correctly.

32 BOTTLES RECYCLED PER PAD

**MADE FROM 100% RECYCLED PLASTIC**

Our floor pads are made from water based resins, using recycled plastics.

### WHITE

**Use for polishing floors with high speed machine**  
Use on thermoplastics and protected floors

### TAN

**Use for dry polishing and buffing with high speed machine**  
Use on rough/reinforced concrete, tiled floors and natural stone

### RED

**Use for spray cleaning with high speed machine**  
Use on thermoplastics, concrete, tiled floors and natural stone

### BLUE

**Use for light scrubbing and spray cleaning, with standard speed machine**  
Use on thermoplastics, concrete, tiled floors and natural stone

### GREEN

**Use for light stripping or heavy scrubbing, with standard speed machine**  
Use on thermoplastics, rough and reinforced concrete, tiles and stone

### BLACK

**Use for heavy duty stripping, with standard speed machine**  
Use on rough/reinforced concrete, tiled floors and natural stone

### MAROON

**Use for heavy duty scrubbing and stripping with scrubbing machine**  
Use tiled, concrete, terrazzo, vinyl and linoleum floors

# REVOLUTIONISE YOUR FLOOR CLEANING

## DISCOVER TWISTER™ DIAMOND PADS

Twister™ is the simple, cost-effective and user friendly solution for daily machine cleaning of floors.

Twister™ floor cleaning pads are impregnated with billions of microscopic diamonds that clean and polish the floor at the same time, completely without chemicals. All you need is water.

## REDISCOVER YOUR SHINE WITH TWISTER™

### YOUR TWISTER™ PAD GUIDE

- RED** Heavy duty cleaning
- WHITE** Occasional deep cleaning
- YELLOW** Daily polishing
- GREEN** High shine

## WHY CHOOSE TWISTER™?

- ✓ **NO CHEMICALS NEEDED**  
Reduces environmental and cleaning cost
- ✓ **MADE FROM RECYCLED PET**  
For minimal impact
- ✓ **SIMPLE TO IMPLEMENT**  
No change to machinery or cleaning procedures
- ✓ **REMOVES 80% MORE BACTERIA**  
Than conventional methods
- ✓ **3 X LONGER-LASTING**  
Drastically reducing cleaning costs

## 5-STEP FLOOR CARE CYCLE

Maintaining a regular floor cleaning routine is key to clean, attractive floors

The floorcare cycle details the steps you should follow to keep floors looking great all year round

### 5. BUFF TO SHINE

For a "like new" look and feel

### 4. APPLY FINISH

Layer up for extra durability

### 3. CLEAN BASE

Clean and dry the original surface

### 1. STRIP DOWN

Apply floor stripper

### 2. SCRUB OFF

Use scrubber to loosen material

### ANDARTA MULTI-PURPOSE HARD SURFACE CLEANER

- Use for linoleum, PVC, sealed cork, wood and thermoplastic floors
- Removes soil, grease and heel marks

40-107 | 5L

### TANET SR15 – HIGH PERFORMANCE FLOOR & SURFACE CLEANER

- Powerful maintenance floor and surface cleaner
- Low use concentration with outstanding cleaning performance with minimal efforts and costs
- Easy and thorough removal of dirt and grease, leaving no streaks
- Cradle to Cradle Gold and EU Ecolabel certified

33-606 | 5L  
33-605 | 1L

Use 33-605 with: 33-593, 33-638

### ANDARTA PINE FLOOR JELL

- Ideal damp mopping solution for all surfaces
- Removes dirt and heel marks
- Will not remove or dull polish
- Excellent for spray cleaning
- Easy to use, no burnishing required

40-103 | 5L

### ANDARTA LEMON CITRUS FLOOR JELL

- For the regular cleaning and maintenance of linoleum, PVC, sealed wood, cork and most hard surfaces.
- Removes the heaviest deposits of oil, grease and grime
- Perfect for spray cleaning, removes dirt and heel marks with ease
- Made from natural citrus oils

40-104 | 5L

### ANDARTA HEAVY DUTY SCRUBBER DRYER DETERGENT

- Specially formulated for scrubber dryer use
- Rapid action cleans in one pass
- Controlled foam will not block suction dryer
- Ammoniated for rapid grease cut
- Fully biodegradable and phosphate free

40-109-2 | 2 x 5L

### ANDARTA FLOOR POLISH STRIPPER

- Strips metallised or non-metallised polish from rubber, sealed wood, terrazzo and thermoplastic floors
- Removes impacted dirt from concrete and non-porous surfaces
- Fresh pine aroma
- No ammonia fumes
- Controlled foam for machine use

40-111 | 5L

### ANDARTA RINSE FREE FLOOR STRIPPER

- Strips metallised or non-metallised polish from concrete, terrazzo, sealed wood and cork floors
- Highly concentrated, no rinsing required
- Low foaming for speed use and ultimate wet pickup
- Quicker stripping of floors in confined spaces
- Non-caustic

40-108 | 5L

### ANDARTA ACRYLIC BASE COAT SEALER

- Use for spray burnishing on linoleum, PVC, rubber, terrazzo and thermoplastic floors
- Seals porous floors providing base for emulsion
- Non-yellowing film will not discolour light floors
- Resistant to polish strippers

40-097 | 5L

### ANDARTA HIGH SHINE FLOOR POLISH

- Use for spray burnishing on linoleum, PVC, sealed cork, sealed wood, terrazzo and thermoplastic floors
- 18% solids
- Not suitable for unsealed or laminate floors
- Produces deep shine with excellent slip resistance

40-093 | 5L

### ANDARTA WET LOOK FLOOR POLISH

- Use for linoleum, PVC, sealed cork, sealed wood, terrazzo and thermoplastic floors
- Not suitable for unsealed or laminate floors
- Dries to give 'wet look'
- Low maintenance requirement
- Easy to use, no burnishing required
- Maximum scuff resistance

40-100 | 5L

### ANDARTA FLOOR POLISH MAINTAINER

- Use on linoleum, PVC, rubber, terrazzo, wood and thermoplastic floors
- Removes dirt and heel marks
- Will not remove or dull polish
- Excellent for spray cleaning
- Easy to use, no burnishing required
- Highly efficient cleaner
- Pleasant fragrance

40-105 | 5L

Cotton & Synthetic Mops

See handle key on page 125

# SmartBot

## The future of robotic floor cleaning

Introducing robotic cleaning, a perfect opportunity to cut down on floor cleaning time and encourage your cleaning teams to focus on those more complex cleaning tasks. SmartBot is designed to do exactly that and reduce labour time in those larger areas.

- Scrubber dryer & dry mopping modes
- Zero degree turning circle
- Rapid deployment
- 10cm edge cleaning
- Autonomous & remote control

Dynamic obstacle avoidance as low as 5cm.

Scrubber dryer 4hrs, dry mopping 12+hrs. Charges in 4hrs.

Zero degree turning radius.

Rapid deployment and starts cleaning in less than 3 minutes.

Edge cleaning less than 10cm away from wall.

# HOW TO CHOOSE THE CORRECT REFUSE SACK

Use our handy guide to ensure that you select the correct refuse sack, every time

1. Waste Type	Paper & general office waste	General domestic waste	Catering & trade waste	Industrial & trade waste
	<b>Standard Strength</b>	<b>Medium Strength</b>	<b>High Strength</b>	<b>Extra-High Strength</b>
2. Weight				
	<b>Standard Strength</b>	<b>Medium Strength</b>	<b>High Strength</b>	<b>Extra-High Strength</b>
3. Bin Size	Measure bin dimensions	Add 7 inch overhang on diameter for tying bag	Select sack with correct dimensions	

 = Bag strength

### COMPOSTABLE LINERS

- Helps keep food bins and caddys clean and hygienic
- For use in kitchen caddys
- Conforms to EN13432 composting standards
- Reverts to water, CO<sub>2</sub>, and biomass when composted

<b>35-160</b>	Roll of 52 Bags	8 x 15 x 15"	For 7L Bin	Green
<b>35-146</b>	Roll of 26 Bags	12 x 22 x 23"	For 25L Bin	Green

### ANDARTA PEDAL BIN LINERS

- Smaller pedal bin liner
- Suitable for bathroom bins

<b>35-009</b>	Box of 1000	11 x 17 x 18"	Light Strength
<b>35-193</b>	20 Rolls x 50 Sacks	11 x 17 x 18"	High Strength

### ANDARTA SWING BIN LINERS

- To fit swing, square and other standard bins
- Suitable for waste management
- **Made from recycled materials**

<b>35-010</b>	Box of 1000	15 x 24 x 24"	Economy
<b>35-011</b>	Box of 1000	13 x 23 x 30"	Economy
<b>35-110</b>	Box of 500	13 x 23 x 30"	High Strength

### LAUNDRY BAG WITH DISSOLVING STRIP

- High quality bag with a problem free solution strip
- Enables handlers to economically isolate and transport contaminated linen
- Reduces labour and bio-hazard disposal costs

**RECYCLE BIN KIT 54 LTR**

- Kit contains 3 x 54ltr top bins including colour coded lids and labels
- Paper, card, aluminium cans or plastics labels
- Durable
- Swing top
- Maintenance free
- WRAP & Recycle Now accreditations

**43-035** | 3 Bins | 54L x 3

**2 WAY HOODED OUTDOOR LITTER BIN**

- A litter bin made from 90% recycled materials, designed for outdoor use
- An economic alternative to completely steel or stainless-steel bins

**43-046**

Chamfered edge to litter posting aperture ensures rubbish is directed into the liner without overspill between liner and outer case.

Made of 90% recycled materials.

Removal of lockable outer case and liner allows cleaning of area beneath and around location of bin.

Key-lock secures outer case of steel liner.

The only plastic litter bin in the UK with an inner steel reinforced frame designed to prevent removal or overturning by vandals.

**SEGREGATED RECYCLING BINS**

**MINI, MIDI & MAXI RECYCLING BINS**

**BESPOKE RECYCLING BIN SYSTEMS**

- Available in a wide range of styles and sizes
- Personalise to match brand colours/logos
- **Made from 100% recycled material**

## Terms & Conditions

### TERMS AND CONDITIONS OF SALE

#### 1. Interpretation

- 1.1 The definitions and rules of interpretation in this condition apply in these conditions.

**Business Day:** a day (other than a Saturday, Sunday or public holiday) when banks in London are open for business; **Buyer:** the person, firm or company who purchases the Goods from the Company; **Company:** Arrow County Supplies;

**Contract:** any contract between the Company and the Buyer for the sale and purchase of the Goods; **Delivery Point:** the place where delivery of the Goods is to take place under condition 4; **Goods:** any goods agreed in the Contract to be supplied to the Buyer by the Company (including any part(s) of them); **Limit of Indemnity:** currently the maximum amount of £5,000,000 for all occurrences during any one period of insurance; **VAT:** value added tax chargeable under English law for the time being and any similar additional tax; **Reference to a law** is reference to it as it is in force for the time being taking account of any amendment, extension, application or re-enactment and includes any subordinate legislation for the time being in force made under it. Words in the singular include the plural and in the plural include the singular. Reference to one gender includes reference to the other. Condition headings do not affect the interpretation of these conditions.

#### 2. Application of Terms

- 2.1 Subject to any variation under condition 2.3 the Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, specification or other document).
- 2.2 No terms or conditions endorsed on, delivered with or contained in the Buyer's purchase order, confirmation of order, specification or other document shall form part of the Contract as a result of such document being referred to in the Contract.
- 2.3 These conditions apply to all the Company's sales and any variation to these conditions and representations about the Goods shall have no effect unless expressly agreed in writing and signed by a director of the Company. The Company's sales representatives have no authority to accept, vary or amend any of these conditions. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Company which is not set out in the Contract. Nothing in this condition shall exclude or limit the Company's liability for fraudulent misrepresentation.
- 2.4 Each order or acceptance of a quotation for Goods by the Buyer from the Company shall be deemed to be an offer by the Buyer to buy Goods subject to these conditions.
- 2.5 No order placed by the Buyer shall be deemed to be accepted by the Company until a written acknowledgement of order is issued by the Company or (if earlier) the Company delivers the Goods to the Buyer.
- 2.6 The Buyer shall ensure that the terms of its order and any applicable specification are complete and accurate.
- 2.7 Any quotation is given on the basis that no Contract shall come into existence until the Company despatches an acknowledgement of order to the Buyer. Any quotation is valid for the period set out on the quotation or, in the absence thereof for 30 days, provided that the Company has not previously withdrawn it.

#### 3. Description

- 3.1 The quantity and description of the Goods shall be as set out in the Company's quotation or acknowledgement of order.
- 3.2 All samples, drawings, descriptive matter, specifications and advertising issued by the Company and any descriptions or illustrations contained in the Company's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract and this is not a sale by sample.

#### 4. Delivery

- 4.1 Unless otherwise agreed in writing, delivery of the Goods shall take place at the Buyer's usual place of business. The costs of delivery are included in the Price of the Goods. However, the Company reserves the right to make a reasonable charge associated with any additional costs of carriage where the Buyer's usual place of business or the agreed place of delivery is more than 50 miles from the Company's premises and an additional administration charge of £15 in respect of orders with a total value of less than £75.
- 4.2 Any dates specified by the Company for delivery of the Goods are an estimate and time for delivery shall not be made of the essence by notice. If no dates are specified, delivery shall be within a reasonable time.
- 4.3 Subject to the other provisions of these conditions the

Company shall not be liable for any direct, indirect or consequential loss (all three of which terms include, without limitation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Company's negligence), nor shall any delay entitle the Buyer to terminate or rescind the Contract unless such delay exceeds three months.

- 4.4 If for any reason the Buyer fails to accept delivery of any of the Goods, or the Company is unable to deliver the Goods on time because the Buyer has not provided appropriate instructions, documents, licences or authorisations: (a) risk in the Goods shall pass to the Buyer (including for loss or damage caused by the Company's negligence); and (b) the Goods shall be deemed to have been delivered; or (c) the Company may store the Goods until delivery, whereupon the Buyer shall be liable for all related costs and expenses (including, without limitation, storage and insurance).
- 4.5 The Buyer shall provide at the Delivery Point and at its expense adequate and appropriate equipment and manual labour for loading or unloading of the Goods.
- 4.6 The Company may cancel delivery if the Company believes it would be unsafe unlawful, unnecessarily or difficult to deliver to the Delivery Point and delivery shall take place upon the return of the Goods to the Company's place of business.
- 4.8 The Company may deliver the Goods by separate instalments. Each separate instalment shall, subject to condition 4.9, be invoiced and paid for in accordance with the provisions of the Contract.
- 4.9 Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to repudiate or cancel any other Contract or instalment.

#### 5. Non-Delivery

- 5.1 The quantity of any consignment of Goods as recorded on despatch from the Company's place of business shall be conclusive evidence of the quantity received on delivery unless the Buyer can provide conclusive evidence proving the contrary.
- 5.2 The Company shall not be liable for any non-delivery of Goods (even if caused by the Company's negligence) unless the Buyer gives written notice to the Company of the non-delivery within 7 days of the date when the Goods would in the ordinary course of events have been delivered.
- 5.3 Any liability of the Company for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.

#### 6. Risk/Title

- 6.1 The Goods are at the risk of the Buyer from the time of delivery.
- 6.2 Where applicable, risk in transit shall remain with the Company until delivery at the Delivery Point provided that in the event of any damage to the Goods during transit the Company will replace any goods proved to the Company's satisfaction to have been damaged in transit subject to having received from the Buyer within 48 hours after delivery notification in writing of the occurrence of the damage and also, if and so far as practicable, of its nature and extent.
- 6.3 Ownership of the Goods shall not pass to the Buyer until the Company has received in full (in cash or cleared funds) all sums due to it in respect of: (a) the Goods; and (b) all other sums which are or become due to the Company from the Buyer.
- 6.4 Until ownership of the Goods has passed to the Buyer, the Buyer shall: (a) hold the Goods on a fiduciary basis as the Company's bailee; (b) store the Goods (at no cost to the Company) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Company's property; (c) not destroy, deface or obscure any identifying mark or packaging on or relating to the Goods; and (d) maintain the Goods in satisfactory condition and keep them insured on the Company's behalf for their full price against all risks to the reasonable satisfaction of the Company. On request the Buyer shall produce the policy of insurance to the Company.
- 6.5 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions: (a) any sale shall be effected in the ordinary course of the Buyer's business at full market value; and (b) shall be a sale of the Company's property on the Buyer's own behalf and the Buyer shall deal as principal when making such a sale.
- 6.6 The Buyer's right to possession of the Goods shall terminate immediately if: (a) any of the matters set out in condition 11.1 (a) to (o) occur; or (b) the Buyer encumbers or in any way charges any of the Goods.
- 6.7 The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.
- 6.8 The Buyer grants the Company its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored

in order to inspect them or where the Buyer's right to possession has terminated, to recover them.

- 6.9 Where the Company is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by the Company to the Buyer in the order in which they were invoiced to the Buyer.

- 6.10 On termination of the Contract the Company's (but not the Buyer's) rights in this condition 6 shall remain in effect.

#### 7. Price

- 7.1 Unless otherwise agreed by the Company in writing, the price for the Goods shall be the price set out in the Company's price list published on the date of delivery or deemed delivery.
- 7.2 The price for the Goods shall be exclusive of any VAT which the Buyer shall pay when it is due to pay for the Goods.
- 7.3 The Company reserves the right, by giving written notice to the Buyer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to the Company which is due to any factor beyond the reasonable control of the Company (including without limitation, any increase in packaging, insurance, transportation costs, costs of labour, materials or other costs of manufacture, taxes, tariffs or import duties (where applicable) or changes in legislation or regulations) or any changes in delivery dates, quantities or specifications for the Goods which are requested by the Buyer or any delay caused by failure of the Buyer to give the Company adequate information or instructions.
- 7.4 The Buyer agrees and acknowledges that the price for the Goods is based upon the limitations of liability set out in conditions 3 and 10 and upon the limited warranties given in condition 9.

#### 8. Payment

- 8.1 Subject to condition 8.4 and unless otherwise agreed by the Company in writing, payment of the price for the Goods is due in pounds sterling 28 days from the day on which the Goods are delivered or deemed to be delivered.
- 8.2 Time for payment shall be of the essence.
- 8.3 No payment shall be deemed to have been received until the Company has received cleared funds.
- 8.4 All payments payable to the Company under the Contract shall become due immediately on its termination.
- 8.5 The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by the Company to the Buyer. The Buyer shall not be entitled to withhold any payments due under the Contract because of a disputed claim of any nature.
- 8.6 If the Buyer fails to pay the Company any sum due pursuant to the Contract:
- 8.6.1 the Buyer shall be liable to pay interest to the Company on such sum from the due date for payment at the annual rate of 4% above the base lending rate from time to time of the Royal Bank of Scotland, accruing on a daily basis until payment, before or after any judgment but the Company reserves the right to interest under the Late Payment of Commercial Debts (Interest) Act 1998; and
- 8.6.2 the Company shall be entitled to suspend or cancel all future deliveries of Goods to the Buyer.
- 8.7 In the event that any variation is agreed between the Company and the Buyer regarding payment terms, which results in credit terms being extended to the Buyer, any such variation will cease and the amount of any debt owed will be payable forthwith on the occurrence of any of the matters set out in condition 11.1 (a) to (o).
- 8.8 Without prejudice to any other right or remedy of the Company any payment by the Buyer, which results in a cheque being referred to the drawer for whatever reason, will incur a charge of £50.00 plus VAT per cheque payable by the Buyer.
- 8.9 The Company may apply all or any part of any sum owing by the Company its subsidiaries or associates to the Buyer in relation to any matter in or towards payment of any sum owing to the Company. For this purpose references to the Company or the Buyer include any company which is a holding company, subsidiary or associate of the Company or the Buyer respectively.
- 8.10 The Company may appropriate any payment made by the Buyer to the Company against amounts that are owed by the Buyer to the Company for the longest period not withstanding any prior appropriation of that payment by the Buyer.

#### 9. Quality

- 9.1 The Company warrants that (subject to the other

- provisions of these conditions) on delivery the Goods shall:
- (a) be of satisfactory quality within the meaning of the Sale of Goods Act 1979; (b) be reasonably fit for any particular purpose for which the Goods are being bought if the Buyer had made known that purpose to the Company in writing and the Company has confirmed in writing that it is reasonable for the Buyer to rely on the skill and judgement of the Company. For the avoidance of doubt, the warranties given in this condition 10.1 are given in lieu and exclude the operation of the implied terms as to satisfactory quality and fitness for purpose in the Sale of Goods Act 1979, to the fullest extent permitted by law.
- 9.2 The Company shall not be liable for a breach of any of the warranties in condition 9.1 unless:
- (a) the Buyer gives written notice of the defect to the Company within 14 days of the time when the Buyer discovers or ought to have discovered the defect, whichever is the earlier; and (b) the Company is given a reasonable opportunity after receiving the notice of the defect from the Buyer of examining such Goods and the Buyer (if asked to do so by the Company) returns such Goods to the Company's place of business for the examination to take place there.
- 9.3 The Company shall not be liable for a breach of any of the warranties in condition 9.1 if: (a) the Buyer makes any further use of such Goods after giving such notice; or (b) the defect arises because the Buyer failed to follow the Company's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice; or (c) the Buyer carries out, repairs itself or brings about changes in the nature, composition or packaging of the Goods delivered, or has these carried out or brought about by third parties, or if the Goods delivered are used improperly or for any purpose other than that for which they are meant or are marinated and/or stored improperly or contrary to any agreed or legal regulations or if the defect of the Goods can be ascribed to the other party in any way.
- 9.4 Subject to condition 9.2 and 9.3, if any of the Goods do not conform with any warranties in condition 9.1 the Company shall at its option replace such Goods (or the defective part) or refund the price of such Goods at the pro rata Contract rate provided that, if requested, the Buyer shall return the Goods or the part of such Goods which is defective to the Company.
- 9.5 If the Company complies with condition 9.4 it shall have no further liability for a breach of any of the warranties in condition 9.1 in respect of such Goods and any Goods replaced shall belong to the Company.
- 10. Limitation of Liability**
- 10.1 Subject to conditions 4, 5 and 9, the following provisions set out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Buyer in respect of:
- (a) any breach of these conditions; (b) any use made or resale by the Buyer of any of the Goods, or of any product incorporating any of the Goods; and (c) any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.
- 10.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979 or section 2(3) of the Supply of Goods and Services Act 1982, whichever Act applies to the Contract) are, to the fullest extent permitted by law, excluded from the Contract.
- 10.3 Nothing in these conditions excludes or limits the liability of the Company:
- (a) for death or personal injury caused by the Company's negligence; or (b) under section 2(3) Consumer Protection Act 1987; or (c) for any matter which it would be illegal to attempt to exclude its liability; or (d) for fraud or fraudulent misrepresentation.
- 10.4 Subject to condition 10.2 and condition 10.3 the Company's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of the Contract shall be limited to the Contract price plus 100% or the sum of £50,000 (whichever is the greater).
- 10.5 In the event that the limitation on liability set out in condition 10.4 is found by any court, tribunal or administrative body of competent jurisdiction to be illegal, invalid, void, voidable, unenforceable or unreasonable then subject to condition 10.2 and condition 10.3 the Company's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of the Contract shall be limited to the limit of indemnity remaining from time to time in accordance with the Company's public/products liability insurance (policy number 05273243 or such other limit of indemnity as may apply to any replacement or amended public/products liability insurance effected by the Company from time to time,
- in either case a copy of which shall be provided to the Buyer on request).
- 10.6 Subject to condition 10.2 and 10.3 the Company shall not be liable to the Buyer for loss of profit, loss of business, or depletion of goodwill in each case whether direct, indirect or consequential, or any claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the Contract.
- 11. Termination**
- 11.1 The Company may terminate the Contract without liability to the Buyer immediately (or following such period as it sees fit) by giving notice to the Buyer if:
- (a) the Buyer fails to pay any amount due under the Contract on the date for payment and remains in default for more than 7 days; or (b) the Buyer commits a breach of any term of the Contract and (if remediable) fails to remedy that breach in 14 days; or (c) the Buyer repeatedly breaches any of the Contract in such a manner as to reasonably justify the opinion that its conduct is inconsistent with having the intention or ability to give effect to the terms of the Contract; or (d) the Buyer suspends or threatens to suspend payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts or is deemed either unable to pay its debts (being a company within the meaning of section 123 of the Insolvency Act 1986) or as having no reasonable prospect of so doing within the meaning of section 268 of the Insolvency Act 1986 or in the case of a partnership has any partner to whom foregoing applies; or (e) the Buyer commences negotiations with any of its creditors with a view to rescheduling any of its debts, or makes a proposal for or enters into any compromise or arrangement with its creditors; or (f) a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with the winding up of the Buyer; or (g) an application is made to court, or an order is made, for the appointment of an administrator or if a notice of intention to appoint an administrator is given or if an administrator is appointed over the Buyer; or (h) a floating charge holder over the assets of the Buyer has become entitled to appoint or has appointed an administrative receiver; or (i) a person becomes entitled to appoint a receiver over the assets of the Buyer or a receiver is appointed over the assets of the Buyer; or (j) the Buyer, being an individual, is the subject of a bankruptcy petition or order; or (k) a creditor or encumbrancer of the Buyer attaches or takes possession of, or a distress, execution, sequestration or other such process is levied or enforced on or sued against, the whole or any part of its assets and such attachment or process is not discharged within 14 days; or (l) any event occurs, or proceeding is taken, with respect to the Buyer in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in condition 11.1(d) to condition 11.1(k) (inclusive); or (m) the Buyer suspends or ceases, or threatens to suspend or cease, to carry on all or a substantial part of its business; or (n) the Buyer, being an individual, dies or, by reason of illness or incapacity (whether mental or physical), is incapable of managing his or her own affairs or becomes a patient under any mental health legislation; or (o) there is a change of control of the Buyer.
- 11.2 In the event of termination in accordance with condition 11.1 or of any order being cancelled by the Buyer, the Buyer shall indemnify the Company against all loss (including profits) costs (including labour and overheads) and all other expenses and damages reasonably and properly incurred by the Company in connection with the Contract and its termination.
- 12. Assignment**
- 12.1 The Company may assign the Contract or any part of it to any person, firm or company.
- 12.2 The Buyer shall not be entitled to assign the Contract without the prior written consent of the Company. The Company shall not be deemed to have accepted an assignment of the Contract due to any circumstance or pursuant to any act or omission of the Company including, without limitation, the acceptance of payments or obligations under the Contract from a third party.
- 13. Force Majeure**
- The Company reserves the right to defer the date of delivery or to cancel the Contract or reduce the volume of the Goods ordered by the Buyer (without liability to the Buyer) if it is materially prevented from or delayed in the carrying on of its business due to circumstances beyond the reasonable control of the Company including, without limitation, acts of God, governmental or regulatory actions (including orders preventing the movement of Goods), changes in legislation or codes of practice, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), failure of sub-contractors or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, provided that, if the event in question continues for a continuous period in excess of six months, the Buyer shall be entitled to give notice in writing to the Company to terminate the Contract.
- 14. Returns Policy**
- 14.1 Without prejudice to clauses 4, 5, 9 and 10, or the statutory rights of the Buyer:
- (a) any Goods returned which are not included in the Company's catalogue and have been obtained by the Company at the request of the Buyer will only be refunded in the absolute discretion of the Company;
- (b) in respect of any Goods returned where Orders are placed via mail, phone, fax or the internet, which have been cancelled within seven days of receiving the Goods, the Company will refund the price of the Goods in full;
- (c) where an Order has been cancelled within 28 days of receiving the Goods, the Company will examine the returned Goods within reasonable time. Where Goods are found to be defective, the price of the Goods will be refunded in full
- (d) where Goods returned in accordance with clause
- 14.1 (c) are found not to be defective, the Company reserves the right to deduct a re-stocking charge of 20% of the Price of the Goods from any refund to the Buyer.
- 14.2 All Goods must be returned unused, in their original packaging and in a re-saleable condition (to be determined in the Company's absolute discretion) and that the Buyer will be responsible for the costs of returning the Goods to the Company. Costs of delivery to the Buyer (if any) will not be refunded.
- 15. General**
- 15.1 Each right or remedy of the Company under the Contract is without prejudice to any other right or remedy of the Company.
- 15.2 If any provision of the Contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable to the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect.
- 15.3 Failure or delay by the Company in enforcing or partially enforcing any provision of the Contract shall not be construed as a waiver of any of its rights under the Contract.
- 15.4 Any waiver by the Company of any breach of, or any default under, any provision of the Contract by the Buyer shall not be deemed a waiver of any subsequent breach or default and shall in no way affect the other terms of the Contract.
- 15.5 The parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.
- 15.6 The formation, existence, construction, performance, validity and all aspects of the Contract shall be governed by English law and the parties submit to the exclusive jurisdiction of the English courts.
- 16. Communications**
- 16.1 All communications between the parties about the Contract shall be in writing and delivered by hand or sent by pre-paid first class post or sent by fax: (a) (in case of communications to the Company) to its registered office or such changed address as shall be notified to the Buyer by the Company; or (b) (in the case of the communications to the Buyer) to the registered office of the addressee (if it is a company) or (in any other case) to any address of the Buyer set out in any document which forms part of the Contract or such other address as shall be notified to the Company by the Buyer.
- 16.2 Communications shall be deemed to have been received: (a) if sent by pre-paid first class post, two days (excluding Saturdays, Sundays and holidays) after posting (exclusive of the day of posting); or (b) if delivered by hand, on the day of delivery; or (c) if sent by fax on a working day prior to 4.00 pm, at the time of transmission, otherwise the next working day.
- 16.3 Communications addressed to the Company shall be marked for the attention of a director or the directors of the Company.
- 17. Confidentiality**
- The Buyer shall each keep confidential and shall not without the prior consent in writing of the other disclose to any third-party any technical or commercial information which it has acquired from the other as a result of discussions, negotiations and other communications between them relating to the Goods and the Contract
